

The Access to Work Mental Health Support Service

Presented by: Beth Kimberley

Access to Work Mental Health Support Service

About the service

- » The Access to Work Mental Health Support Service, delivered by Maximus, is funded by the Department of Work and Pensions.
- » Confidential and vocational support for employees with mental illness to retain/regain their ability to participate at work.
- » Helped thousands of people since launch with a range of mental health conditions.
- » Delivered by Vocational Rehabilitation Consultants (VRCs) – experts in supporting people with mental health conditions.
- » Support for a period of 9 months consisting of fortnightly review calls.
- » No financial contribution required from employer or employee.
